

Model No.ELM3720 370MM ELECTRIC LAWN MOWER

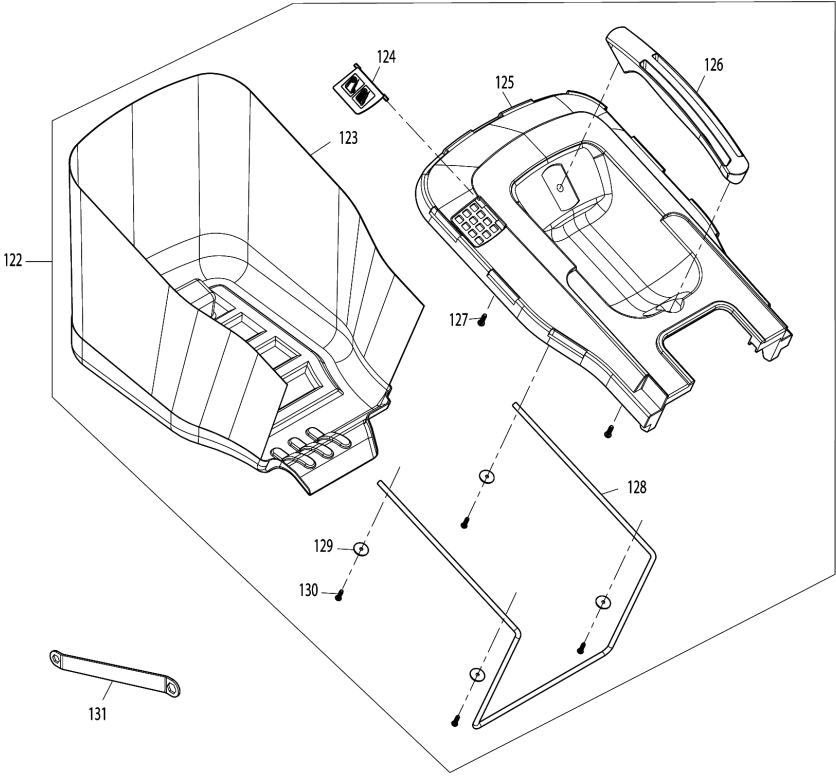

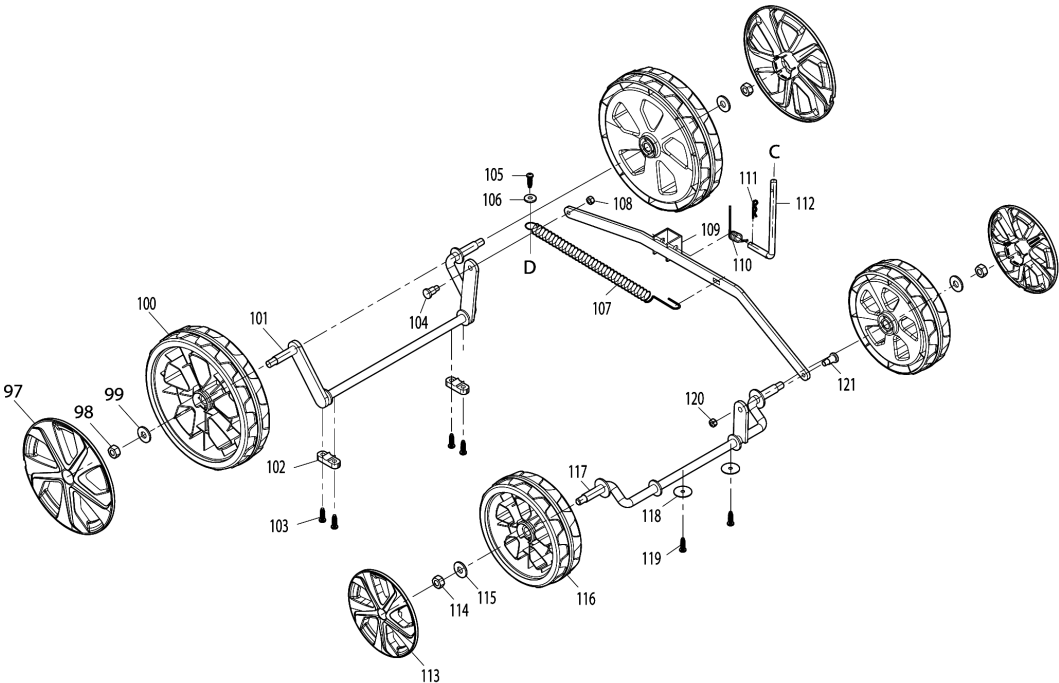

This diagram shows an exploded view of a car seat base assembly. The main component is the seat base, which has a curved backrest and a seat pan. Various parts are shown being attached to it:

- 74** and **75**: A bolt and nut assembly for securing the top of the backrest.
- 76**: A long, narrow, textured rectangular pad for the backrest.
- 77**: A vertical support structure or bracket.
- 78**: A rectangular textured pad for the seat pan.
- 79**: A rectangular textured pad for the base of the seat.
- 80**: A long, narrow, textured rectangular pad for the base of the seat.
- 81**: A bolt for securing the base of the seat.

Other callouts include **B**, **D**, **E**, and **H**, which point to specific structural features or mounting points on the seat base.
